

Isobel Bushell, a Shropshire Illustrator and creator of images to make you smile.

My illustrations reflect my life long relationship with the Shropshire Countryside and those who live within its rolling hills, both animal and human. From the family pony to the shy stoat, the singing vicar and the pipe smoking church warden. All life is here I urge you to take a look.

## FAMILY, LOVE, HOME

A4/A3 Family

A4/A3 Love

A4/A3 Home

Inspired by our love of British Wildlife and the Shropshire countryside.

Taken from original pen and watercolours. Curious animals entwine around the letter forms and birds fly close by.

A3 British Wildlife Alphabet
